1 After the last section, add the following and renumber sections and  
2 internal references accordingly:

3 "Sec. 501. Subsection (g) of section 18 of public act 13-3 is repealed  
4 and the following is substituted in lieu thereof (*Effective January 1,*  
5 *2014*):

6 (g) (1) The information in the registry shall [not] be a public record  
7 [or file] for the purposes of section 1-200 of the general statutes and  
8 shall be accessible to the public during normal business hours. [Any  
9 information disclosed pursuant to this section or section 19 or 20 of this  
10 act, shall not be further disclosed unless such disclosure is permitted  
11 under this section or section 19 or 20 of this act.] The Department of  
12 Emergency Services and Public Protection shall make registration  
13 information available to the public through the Internet. Not less than

14 once per calendar quarter, the Department of Emergency Services and  
15 Public Protection shall issue notices to all print and electronic media in  
16 the state regarding the availability and means of accessing the registry.  
17 Each local police department and each state police troop shall keep a  
18 record of all registration information transmitted to it by the  
19 Department of Emergency Services and Public Protection and shall  
20 make such registration information accessible to the public during  
21 normal business hours.

22 (2) Whenever a person is convicted or found not guilty by reason of  
23 mental disease or defect of an offense committed with a deadly  
24 weapon that will require such person to register under section 19 of  
25 public act 13-3, the court shall provide to the Department of  
26 Emergency Services and Public Protection a written summary of the  
27 offense that includes a specific description of the offense. Such  
28 summary shall be added to the registration information made  
29 available to the public through the Internet.

30 (3) Upon the conviction or finding of not guilty by reason of mental  
31 disease or defect of any person for an offense committed with a deadly  
32 weapon that will require such person to register under section 19 of  
33 public act 13-3, the court may order the Department of Emergency  
34 Services and Public Protection to restrict the dissemination of the  
35 registration information to law enforcement purposes only and to not  
36 make such information available for public access, provided the court  
37 finds that dissemination of the registration information is not required  
38 for public safety and that publication of the registration information  
39 would be likely to reveal the identity of the victim within the  
40 community where the victim resides. The court shall remove the  
41 restriction on the dissemination of such registration information if, at  
42 any time, the court finds that public safety requires that such person's  
43 registration information be made available to the public or that a  
44 change of circumstances makes publication of such registration  
45 information no longer likely to reveal the identity of the victim within  
46 the community where the victim resides. Prior to ordering or  
47 removing the restriction on the dissemination of such person's

- 48 registration information, the court shall consider any information or  
49 statements provided by the victim."
